How did you learn about auditions? _____

We want to be upfront—we will only be able to cast a maximum of 40 actors for our production. In years past we had the luxury of including every actor who auditioned. With that said—times have changed—and we have to face the possibly not casting everyone. This route is not one we want to take, but due to safety concerns, we have to make this concession. Lines for some characters may be split in order to give the opportunity for more actors to have speaking roles.

Rehearsals will run from 4:15-5:45 on Thursdays and from 1:00-3:00 on Sundays. An additional rehearsal will be added the week leading up to the show. Not all characters will be called for every rehearsal until we get into November.

Please mark any dates you know you'll have a conflict, or make a note if you have a possible or partial conflict.

****Show Dates: 5 and 6 December 2026****

Please indicate which dates have conflicts for your actor.

Parents —

We need your help!

First of all, we want you all to know how EXCITED we are to be back for another year of directing JSTT's Children's Theatre show!!! Last year, we had 40 amazing actors in our production of Dr. Experimentor and the League of Evil. Based on that incredible turnout, we are preparing for the possibility of even more interest in *Dr. Experimentor and the League of Evil* auditions.

***We want to be upfront with everyone—we will only be able to cast 40 actors for our production.**

In years past, we had the luxury of casting every actor who auditioned. With that said, times have changed, and we have to face the reality of possibly not casting everyone. This route is not one we would take lightly, but in order to keep all our cast members safe and supervised, we have to make this concession.

To help keep everyone safe and organized at rehearsals, we ask parents to sign up below to be “children wranglers” on days when the entire cast is at rehearsal.

Not every child will need to be at every rehearsal until we get towards the end of rehearsals (the month of November). There are only a few dates that will require wranglers, but we will need 1-2 parents at those rehearsals to accommodate a potentially large group. This will help both the cast and directors do their best work, and we appreciate having parents involved in the process!

Here's to an awesome show!
